

REQUEST FOR EXPRESSIONS OF INTEREST (EOI)/ CURRICULUM VITAE

National Research Coordinator

The Ministry of Health & Wellness is seeking to engage a National Research Coordinator to support activities associated with the implementation of the National COVID-19 Research Agenda, LONG COVID Project. The Project Coordinator will manage the day-to-day field/research activities associated with the implementation of this project, and is responsible for coordinating, monitoring and supporting the implementation of research activities associated with the project. The objectives of the National COVID-19 Research Agenda are to:

1. Support the generation of evidence needed to strengthen clinical management, public health guidance and actions essential for mitigating the impact of COVID-19 disease on the population of Jamaica.
2. Determine the impact of COVID-19 on various sectors in Jamaica to provide information for action.
3. Coordinate efforts across Government, academia, the private sector, development partners and other stakeholders to optimize research efforts and outcomes in a whole-of-society response to producing data.
4. Support the development of the research for health enterprise to be better prepared for the next emerging and re-emerging disease outbreak.

The Ministry of Health & Wellness now invites interested eligible individual consultants to submit their Expressions of Interest (EOI) indicating their qualifications and experiences.

QUALIFICATION AND EXPERIENCE
